## **HISTORY OF THE COLLEGE**

The Mahendra Educational Trust was founded in the year 1978 by Sri M.G. Bharathkumar, a renowned educationist with an object of imparting high standard of education to the rural students. The Trust is located at Kalippatti mid-way between Salem and Tiruchengode. Thriu.M.G. Bharathkumar, The Chairman of the Trust is assisted by the governing and advisory councils in matter of policy, mission, development and planning for the continual improvement in imparting higher education. Mrs.B.Valliyammal Bharathkumar the best teacher awardee, is the Secretary of the Trust. Mr.Ba.Mahendhiran and Mr.MahaAjay Prasath, are the Managing Directors.

The Trust lays stress on giving quality education and maintaining high degree of discipline. In deference to the wishes of the elite and to meet the demands of the commoners of Tiruchengode, Namakkal and Salem city, the trust started several schools and colleges.

The institutions functioning under the Trust are Five Engineering Colleges, Two State Board Schools, Two Matriculation Schools, and an International School, Arts and Science College, Polytechnic College and Colleges of Education.

Mahendra Arts & Science College was established in the academic year 1999-2000 with the affiliation of Periyar University, Salem. The college is recognized u/s 2(f) & 12(B) by UGC Act 1956. The college is accredited by NAAC with 'A' grade and takes great pride in the brand recognition it received locally, regionally and nationally ranked 67<sup>th</sup> in 2017 and 96<sup>th</sup> in 2018 in the list of top hundred colleges across the country by NIRF - MHRD, Government of India. The Vision of the college is to remain in the forefront and strive to provide quality education with the latest infrastructure and to leave a long lasting impression in the minds and hearts of all the students, parents, faculties and the experts who are associated with the institution and passes through the portals of this 'Temple of Learning'.

Mahendra Arts & Science college renders students supporting services namely NSS, YRC, WOMEN'S CELL and also provide awareness for sports activities. Presently the Department of Biotechnology has a sponsored FIST Programme sanctioned by DST. Three departments have been approved by UGC from October 2018 to run B.VOC programmes in respective disciplines.

## **QUALITY POLICY**

## CHAIRMAN'S DESK

It gives me great pleasure to invite you to take an initial peek into the heart that beats behind the appealing façade of Mahendra Arts and Science College. I thank you for your interest in this exceptional institution which has recorded two decades of constant development, in the course of which it has accomplished much, making it one of the colleges recognized for its excellence and therefore, much sought after by the fresh applicants.

The Mahendra Arts and Science College tradition happily brings together sound academic achievement with an extensive, vibrant co-curricular programme that includes sports, and leadership training programmes. Our mission is to inculcate the love of knowledge in our students and, for this; we aim to develop the skills and demeanor of lifelong 'learning,' essential for making responsible global citizens. This will make them immensely capable of facing the future with resilience and optimism. On the deeper level, we try to instill the values of respect and trust in relationships that are the foundation of real success.

At MASC then, we believe that 'education' is a wholesome, holistic exercise and as such we strive to give a whole new meaning to the word. Coupling this basic premise with the idea of a sense of belonging to one family - the MASC family - we look at ourselves as 'care-givers.' We care for the mind - ours is a sterling academic institution; we care for the person - the accent is on the all-round development of personality. I wish you the best in the process of seeking to become a part of this family.

M.G.BHARATHKUMAR  
Chairman

## PRINCIPAL'S DESK

Dear All,

We step into this new academic year, filled with hope and dreams of ascending new heights. The purpose of education is to teach students to think and develop a capacity to reason out facts. Students should keep in mind the importance of planning and prioritizing their time and the effective use of it which are essential to achieve success.

We should always think and review – discover the cause and effect of every event, in which they are involved. Do not surrender or become a slave to youthful fancies and indulgences. Be steady in your studies. Learn to enjoy hard work – particularly your studies. Think wisely, think systematically. Always prepare yourself for next day's lesson. Be very serious and attentive in class.

Preserve our heritage and environment for yourself as well as for your next generation. Always be a soldier to defend and preserve our traditions and our territory. With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extracurricular activities that are offered. The overall development of the mind and body is a sign of a healthy and complete development.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women.

**“The reward of hardwork is success”**

Wishing you all Good Luck.

## THE PLACEMENT CELL

The Institute helps each student in exploring placement opportunities by inviting various companies for campus recruitment of students who are in the final year of the programme and are likely to graduate at the end of the academic year.

The final placements, at the Institute, is the result of very systematic interaction with the industry and continuous career counseling of the students. Right from the beginning of the programme, students are continuously counseled with regard to his/her career aspirations and options, which in turn is vigorously followed up with the potential companies for participating in the placement programme of the Institute. This not only helps the students in getting their 'dream' jobs but also assists the visiting placement companies in identifying the 'right' candidate for their organization.

## MTrCE

MTrCE is a campus driven programme facilitating fundamental foundation level and advanced level module based training providing competitive exam coaching for students during their UG and PG course time.
