➤ *Choice Based Credit System*

The Choice Based Credit System (CBCS) gives freedom to the students to study papers of their choice. The CBCS as recommended by the TANSICHE is being followed from the academic year 2015-2016 onwards. Credits vary in proportion with the instructional hours and the nature of the syllabus content.

A total of minimum 140 credits are prescribed for the Undergraduate Programme offered in three years and for a PG programme offered in two years a total of minimum 90 credits are prescribed.

➤ *Question paper pattern*

The question papers are prepared to assess the programme outcomes in terms of the student's learning in cognitive domains, problem solving and ability to use novel tools and methods with respect to theory and laboratory courses enrolled. Bloom's taxonomy method (K1-Remember, K2-Understand, K3-Apply, K4-Analyze and K5-Evaluate) is followed and the question paper shall comprise of Objective type Questions, Short answers, Long answers and Case study analysis.

About COE office

We have integrated with all provisions for Planning, Conduct, Evaluation and declaration of results for UG and PG programmes under the purview of Autonomous stream from the academic year 2015-2016. The research programmes M.Phil. and Ph.D. will remain under the control of the parent university. Regarding Students Attendance and the distribution of Internal and External components, the parent university norms will be followed.

According to the guidelines of the UGC we constitute an Examination Cell headed by the COE on the basis of the potential of the person nominated by the Principal. The team shall consist of an Additional COE, Deputy COEs, Examination Co-ordinator, Technical Assistant and an office assistant.
