### About the Institution

Mahendra Arts and Science College is one of the pioneer institution in Namakkal District with over 2950 students and 125 faculty offering a wide range of Undergraduate, Postgraduate and Doctoral programs in Commerce, Chemistry, Physics, Biotechnology, Maths, Tamil and English. It offers value education in the much - neglected rural area as to make men and women of strength, vitality, mobility and patriotism. This institution was established in the year 1999 offering 13 UG courses, 11 PG courses and research facilities in all departments. This institution was granted the Autonomous status in the year 2015 The college is endorsed by the UGC under 2(f) and 12(B) and accredited with 'A' Grade by NAAC. This institution ensuring quality education. It has world class infrastructure including smart classrooms, hi-tech labs, advanced instruments and equipments, research laboratories, modern library and Wi-Fi facility.

### About the Department

Department of Commerce in Mahendra Arts and Science College has been engaged in opening up the fascinating world of Commerce to students since 1999. The Department is offering B.Com, B.Com CA, BBA, M.Com, M.Com CA, M.Phil and Ph.D. It has over 21 faculty members whose areas of expertise and research includes Marketing, Finance, and Management. They participate in training and development programs, which keep them up-to-date in the current developments and help to promote advanced research activities. The faculty members of the department have contributed to academics by publishing books, research articles in journals, presenting papers in conferences and delivering

guest lectures. The department has tie-up with recognized institutions, industries and R&D for student projects, training and research activities.

### Seminar Theme

The India Retail Industry is the largest among all the industries accounting for over 10 per cent of the country's GDP and around 8 per cent of the employment. The Retail Industry in India has come forth as one of the most dynamic and fast paced industries with several players entering the market. However, all of them have not yet tasted success because of the heavy initial investments that are required to break even with other companies and compete with them. The Indian Retail Industry is gradually inching its way towards becoming the next boom industry.

### Objective of the Seminar

The objective of the seminar is "to provide a platform for interaction on problems relating to retail marketing"

The seminar will incorporate panel discussions by eminent personalities in the respective fields, which will provide a good platform for interaction among Academicians, Research scholars, Industry stalwarts and professionals from various universities and colleges.

### Topics to be covered

The seminar highlights the importance on the following topics:

- Challenges from upcoming Malls
- Analyze and determine consumer behaviour
- Consumer decision making
- Social media marketing
- Online marketing
- Branding strategies
- Benchmarking for Total Quality Management
- Brand awareness and communication

### About the Institution

Mahendra Arts and Science College is one of the top Colleges in Namakkal District with over 2663 students and 127 faculty, offering a wide range of Undergraduate, Postgraduate and Doctoral programs in Mathematics, Chemistry, Physics, Biotechnology, Commerce, Tamil and English. It offers value education in the much – neglected rural area so as to make men and women of strength, vitality, nobility and patriotism. This institution started in the year 1999, this college has grown to greater heights, offering 14 UG courses, 11 PG courses and research facilities in all departments and has become NAAC certified institution ensuring quality education. It has world class infrastructure including smart classrooms, hi-tech labs, advanced instruments and equipments, research laboratories, modern library and Wi-Fi facility.

### About the Department

PG & Research Department of Mathematics in Mahendra Arts and Science College has been engaged in opening up the fascinating world of Mathematics students since 1999. The Department is offering, B.Sc, M.Sc and M.Phil. It has over 14 faculty members whose areas of expertise and research includes Analysis, Numerical Methods, Graph Theory and Algebra. They participate in training and development programs, which keep them up-to-date in the current developments and help to promote advanced research activities. The faculty members of the department have contributed to academics by publishing books, research articles in journals, presenting papers in conferences and delivering guest lectures. The department has tie-ups with recognized institutions, industries and R&D for student projects, training and research activities.

### Seminar Theme

The seminar will be devoted to various aspects of recent developments in the theory of differential equation and their applications. Eminent Mathematicians will deliver invited talks at the seminar based on their current research. It is expected that different mathematical methods and innovative skills employed in different classes of problems of mathematical science and possible future developments will be intensively discussed during the invited talks, there will be plenary session on PDEs with special emphasis on parabolic and hyperbolic problems which are closely related to the current research through out the world.

### Call For Papers

The abstract(s) of research papers typed in Latex format not exceeding 300 words need to be submitted in electronic form through E-Mail to the Convener of the Seminar in the following areas:

- ❖ Ordinary Differential Equations
- ❖ Partial Differential Equations
- ❖ Fuzzy differential Equations
- ❖ Stochastic Differential Equations
- ❖ Difference Equations

### Who can participate?

1. Faculty members
2. Researchers/Scholars
3. Academicians
4. Students

### Important Dates

Last date for registration :14.10.2016  
Date of the Seminar :20.10.2016 &
