

#### **MAHENDRA ARTS & SCIENCE COLLEGE** (Autonomous) Affiliated to Periyar University, Salem. Accredited by NAAC with 'A' Grade & Recognized u/s 2(f) and 12(B) of the UGC Act 1956 Kalippatti - 637 501, Namakkal (Dt), Tamil Nadu.

## Solar Energy

Solar Panel work by absorbing sunlight with photovoltaic cells, generating direct current (DC) energy and then converting it to usable alternating current (AC) energy with the help of inverter technology. Photovoltaic cells absorb the sun's energy and convert it to DC electricity.

#### **Solar Panel**

Maximizing natural light, which cannot only save on lighting requirements and (subsequently energy cost), but can also help keep buildings warm in colder months and using renewable energy to power the building - for example installing a commercial solar panel system.
