## ALUMNI

Although the Alumni Association of Mahendra Arts & Science College was functioning from the beginning of the institution, the association was duly registered and started functioning officially from 2013. Being an integral part of our college, the association is doing yeoman service to the college. The alumni meet has been conducted annually. It takes part in all major activities of the college, rendering a helping hand to the students. The following is the list of Alumni activities undertaken by the association.

The Alumni serves the institution in many ways. The Alumni serves as a member in the Board of Studies thereby gives suggestion for the enrichment of the curriculum according to the need of the current industry. Regular Career guidance programme is conducted for the present students. Face-to-face session with the present students by the alumni goes a long way to discuss the current scenario of the job market. A couple of alumni serve as lecturers in our college after acquiring the required experience and expertise in teaching.

The Alumni-conducted Motivational sessions for the current batch of students are of immense help. They are the resource persons for some of the seminars and workshops Also they indulge in delivering guest lectures. The alumni entrepreneurs encourage the students by explaining the scope of entrepreneurship in future. Regular updates about the latest technological developments are posted through social networks. Placement training is offered free of cost to the present batch of students. The alumni running IT sector business conduct on-campus placement drives.

The institution on its part encourages the alumni activities to a greater extent. It makes it a point that the alumni participation is present in all the college activities. The alumni render its support in all possible ways to help in the development of the college. They are in constant touch with the college throughout the year.
