About the College	Workshop Theme	Resource Persons
Mahendra Arts and Science College is one of the top Colleges in Namakkal District with over 3000 students and 148 faculty, offering a wide range of Undergraduate, Postgraduate and Doctoral programs in Mathematics, Chemistry, Physics, Biotechnology, Commerce, Tamil and English. It offers value education in the much - neglected rural area so as to make men and women of strength, vitality, nobility and patriotism. This institution started in the year 1999, this college has grown to greater heights, offering 14 UG courses, 11 PG courses and research facilities in all departments and has become NAAC certified institution ensuring quality education. It has world class infrastructure including smart classrooms, hi-tech labs, advanced instruments and equipments, research laboratories, modern library and Wi-Fi facility.	This workshop is aimed at imparting the knowledge of LaTeX and provide platform for scientific analysis with variety of user friendly mathematical tools. This training programme will expose fresh students and research scholars in institutions to gain confidence in using mathematical algorithms for processing data and information and to learn how to present the results and publications in more meaningful way through LaTeX. LaTeX is high quality type setting system; it includes features designed for the production of technical and scientific documents. LaTeX is the defacto standard or scientific documents but it can be used for almost any form of publishing.	<div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">   <b>Dr. M.VENKATACHALAM</b>            Assistant Professor            Department of Mathematics            Kongunadu Arts &amp; Science College            (Autonomous)            Coimbatore         </div> <div style="text-align: center;">   <b>Dr. N.GUNASEKARAN</b>            Research Professor            Department of Mathematical Science            Shibaura Institute of Technology            OMIYA Campus            Saitama 337-8570, Japan         </div> </div>
<b>About the Department</b> PG & Research Department of Mathematics in Mahendra Arts and Science College has been engaged in opening up the fascinating world of Mathematics students since 1999. The Department is offering, B.Sc., M.Sc. and M.Phil. It has over 12 faculty members whose areas of expertise and research includes Analysis, Numerical Methods, Graph Theory and Algebra. They participate in training and development programs, which keep them up-to-date in the current developments and help to promote advanced research activities. The faculty members of the department have contributed to academics by publishing books, research articles in journals, presenting papers in conferences and delivering guest lectures. The department has tie-ups with recognized institutions, industries and R&D for student projects, training and research activities.	<b>Who can Participate</b> 1. Faculty Members 2.
