1. Policy Statement

Mahendra Arts & Science College has live-long commitment to provide education on par with any of the standard institution of the urban locality to the rural youth of Salem and Namakkal districts with its unswerving emphasis on the quality of education. Individual student's specific needs and capabilities are compiled at the time of admission itself. Meticulous care is taken to cater to the specific needs of the students in their respective programmes. To ensure the students' graduation without any hinge, the institution leaves no stone unturned. All necessary steps are taken to make every single student attain his/her graduation and no one suffers due to lack of monetary resources.

2. Purpose of the Policy document

The Policy document of the institution provides the teaching as well as the administrative staff with the required guidelines for identifying the students who have limited affordability so that such students may be facilitated with various fee concessions-fee concession/fee waivers depending upon their financial status. The document further explains the different kind of scholarships available to the students.

3. Institutional Level policy Statement/Document

As many as five different scholarships are available to students studying from First year UG to Final year PG. Clear-cut guidelines are made available to the staff for identifying the students in need and make arrangements for the students to avail the scholarships.

1. Either academic excellence or notable achievements of the student is considered for scholarship.
2. Scholarship is extended to the students with single parent.
3. The students who are already availing the governmental and private welfare association scholarship also are eligible for institutional scholarship.
4. The scholarship beneficiaries have to maintain not less than 60% in all their semester examination and they should not have any arrear.
5. Scholarship aims at helping students hailing from economically poor background. The criterion is as follows:
 - a. The annual income of the family should be less than 2 lakh.
 - b. Parents who want to avail the scholarship facility to their wards must produce necessary documents in support of their annual income.
 - c. The decision of the management in awarding/rejecting the scholarship claim is final and binding.
