SUMMARY OF THE PROGRAMME:

It was an engaging and informative session , with the speaker effectively build a rapport with us participants. She was realistic, honest and transparent in sharing what she goes through an days in her professional life. This requires self-awareness and the ability to engage multiple perspectives in the pursuit of knowledge. She made the students interact and gave them insight on how to improve self-awareness in themselves.

The talk was highly motivating for the students and the students were able to understand about their strength and weakness. This session was highly interactive.
